

Discover UK food and drink brands ready for the Indian market

A curated catalogue for Indian Importers

A Timely Opportunity for Indian Importers

The UK and India share a strong and evolving trade relationship, creating new opportunities across the food and beverage sector.

This catalogue is presented as part of the GREAT Food & Drink campaign, a UK government-backed initiative showcasing the world-leading UK food and drink to international markets.

As bilateral trade engagement deepens and market access frameworks strengthen, courtesy of the Free Trade Agreement (FTA) signed in July 2025, UK food and drink brands are increasingly well-placed for the Indian market.

This catalogue presents just a curated selection of export-ready UK brands actively seeking export, distribution and retail partnerships in India.

Why Consider UK Brands?

- ✓ Strong global brand equity
- ✓ Premium positioning across retail & HoReCa
- ✓ High product and safety standards
- ✓ Innovation across health, gourmet & specialty categories
- ✓ Marketing support from origin

Each brand featured here is ready for commercial discussions and structured market entry.

If a brand aligns with your portfolio, we facilitate the introduction and next steps.

Let's Build the Next India-UK Success Story

If you are interested in exploring partnerships with any of the brands featured in this catalogue, we would be pleased to facilitate introductions and commercial discussions.

spirits

Artisan Drinks
Premium mixers

Saicho
Sparkling teas

Where They Are Seeing Demand

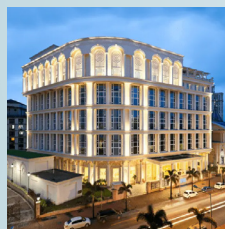

Dry Drnks supplies premium hospitality and retail partners across India, including:

The Oberoi
Hotels

Sofitel Hotels

Fern Hotels

Reliance Retail

Premium restaurants
and specialty
beverage retailers

Since introducing these UK products, Dry Drnks has seen encouraging traction from:

- Gen Z and millennial consumers exploring alcohol-free options
- Fine dining restaurants and premium hotels
- Modern retail and specialty stores

According to Dry Drnks, UK brands stand out for:

- Premium quality and refined flavour profiles
- Strong packaging and positioning suited for hospitality
- Experience and innovation in the non-alcoholic category

Their experience highlights how importing premium UK brands can open new opportunities for distributors serving India's evolving hospitality and retail market.

A UK Brand's Journey: How Tiptree Built a Market in India

Wilkin & Sons Tiptree is one of Britain's most recognised preserve brands, crafting jams and marmalades in Tiptree, England since 1885. With fruit grown on its own farms and cooked in small batches using traditional methods, the brand is known globally for its quality, heritage, and authenticity.

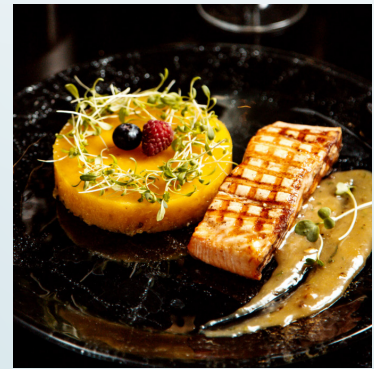

Tiptree products have been present in India for over 30 years, building recognition in:

Luxury hotels and
hospitality groups

Gourmet food
retailers

Premium international
food sections

Note: Retail and food service stocking enquiries only.

Why UK Brands Work for Importers

According to Wilkin & Sons, working with established UK brands offers trade partners:

- Proven product quality and consistency
- Strong brand heritage and storytelling
- High food safety standards (BRC AA+ certified production)
- Reliable long-term partnerships

Tiptree continues to expand in India through distribution partners Bake Kraft (foodservice) and Chenab Impex (retail), with a focus on growing its presence in premium hospitality and gourmet retail.
